Abortion Statement from Bishops' Conference of Scotland: Mon 27 June 2022

Whether we believe in anything spiritual or not, the life that each one of us lives is the only one we have, and to take life from the unborn, no matter how insignificant in size, cannot be right. The rights of a woman and the compassion and support due to her, and the circumstances of her pregnancy, are naturally of great concern to us, but an unborn life, once taken, can never be restored. This is what makes abortion such a profoundly important matter for all human beings.

No matter what position we take, this belief in the profound importance of the issue is shared by us all. It is incumbent on us therefore to accept that deeply held and divergent opinions are at stake and that the conflict which arises from this should be handled with respect and civility.

Those who do not believe human life begins at the moment of conception, invite the question: 'when does it begin?' while those who believe that it does, ask the question: 'what right have we to take a unique and unrepeatable human life?'

If we are to be the caring and compassionate society we aspire to be, upholding the sanctity and dignity of all human life must be the foundational principal upon which that aspiration rests.

'Blairentians and Friends'. Repair work needed for the chapel has meant the closure of this beautiful chapel. There is to be a gathering and final Mass in the chapel on Saturdayn 17th September 2022. The programme will be from 12.30pm until Mass at 4.00pm (Vigil of Sunday).
