Fabric and Finance The group met on Sunday 30 October and discussed parish finances. We are making clear inroads into our outstanding loan for the church hall and are likely to have a further £40k available to repay which will reduce the outstanding loan by approximately 50%. This will help with planning finance for on-going church and hall maintenance projects with funds and fund-raising activities now able to support more of these areas.

Father Joe writes…

At the time of writing, Deacon Andrew has still to take up his appointment in St Albert's on 4th November. I am most grateful to him for the help he gave me as I made the transfer to this parish a year ago. Since then he has assisted me at Sunday Masses, always at the 11 am Mass shining the spotlight on the children of the parish as he came to the end of the announcements; he has celebrated most of the baptisms; he has taken the novena most Monday evenings; and received the remains of the deceased at the vigil, whenever this was required. And who can forget his patter at the Fete and the Wheel of Fortune. We wish him well in his new appointment and look forward to the Social Group organising a wee night for him to express our appreciation for his five years of service in this parish.

(*One parishioner, who shall remain nameless, looked at me and said: "Only the good get moved on!" If he had been a bit smaller, I would be reporting him to the parish council!)*

Thanks to all who helped with the "Life is Forever Mass" on All Souls Day. There was a great turnout and many hands made light work.

Thanks also to those who contributed to the new carpet to replace the red one in the sanctuary which has seen better days when some fine men, women and children set their feet upon it.

The new partition is also expected to be set in place over the next week or so, after further measurements were taken last week.
