Father Joe writes ...

A Saint in the making -

one observant 6 year old called Ruby noticed on 26th June that the Priest was not wearing the usual green vestments. "why is he wearing white?" she asked her auntie Tricia. "Because" she explained "it is the birthday of someone called John (it was too much to explain all about John the Baptist) "he didn't wear white when it was my birthday" was Ruby's reply, feeling a little peeved. So before Ruby's next birthday We must petition Rome to have Ruby declared a Saint while she is still alive and kicking!

Prayer Intention for July

"The tiredness of priests… Do you know how often I think about it?"

Pope Francis has asked Catholics to dedicate the month of July to giving a spiritual gift to their pastors by praying for them, especially the priests who are tired or lonely.

He is asking Catholics to join him in praying *"that priests, who experience fatigue and loneliness in their pastoral work, may find help and comfort in their intimacy with the Lord and in their friendship with their brother priests."*
