Catholic Education Sunday: This is due to take place on Sunday 19th February. Young people from our Catholic schools are invited to come along in school uniform and perhaps at the Presentation of Gifts take up an item for the food bank. The most recent request was for items of hygiene, but a tin of fruit, or pasta, or tea bags (80 pack), or breakfast cereal would also be most acceptable.

Marie Campopiano R.I.P. So many in the parish know Marie whose funeral takes place on Monday. Marie was one of the faithful cleaners (Molly Mops), she was a passkeeper and loved to welcome people as they stepped inside the church. She was on the Social Events Committee, and involved in so many of the things going on in the parish and so helped in the chapel house especially when visiting priests were around. We thank God for all she did for us and accompany her family as we commend her to the Lord.

Marriage preparation. On Monday evening we begin some marriage preparation for those getting married during the year. Preparation takes place at a diocesan level but it is also good to do some at a parish level as well as with the individual couples. Married couples may like to help with this important preparation, making up for the shortcomings of our inexperienced pastor!

The stall Thanks to Karen Lowe who has offered to help with the stall when we finally get things in order and the stall stocked with various religious items: crucifixes, statues of saints, holy water bottles, rosary beads, prayer cards, Sunday missals, bibles, children's bibles, booklets on the lives of the saints and on other issues of the day.

Last week's collections. Thanks to all who contributed to the parish upkeep in our first collection which came to £1041 (including Gift Aid contributions). The second collection for the Hall Debt came to £644 (including Gift Aid brown envelopes). Standing order contributions have to be added to the above amounts.

Freedom from Torture

Following the recent shocking remark by one of our most famous politicians that "torture works" it is good to be reminded of the charity

"Freedom From Torture"

It has been the only organisation dedicated soley to the treatment and support of torture survivors who seek refuge in the UK.

They do this primarily through offering psychological therapies and counselling. They also promote forensic documentation experiences to support a claim for asylum. Find out more at:
