Day for Life: Caring for the Older Person

The focus of the Day for Life this year is older persons.

The COVID pandemic highlighted the desperate plight of many older people, especially those in care homes and those struggling with long-term chronic conditions such as dementia.

Pope Francis has recently offered a positive perspective. In his Catechesis on Old Age, he writes, ***'The alliance between generations, which restores all ages of life to the human, is our lost gift and we have to get it back. It must be found, in this throwaway culture…"***

The Day for Life is marked around the feast of the Visitation of Mary to Elizabeth. As requested by the Bishops of Scotland retiring collection is to be taken up this weekend, 11/12th June, for the apostolate of life.
