Hall Bookings. Some changes have been made to the management of the hall. See the notice board in the porch for hall (bar) staff vacancy.

Joining the Catholic Church. At the time of writing we are looking forward to welcoming John Harper into the catechumenate, a time of reflection of what it means to be a follower of Jesus Christ with a view to baptism next year.

Annual Mass Census. 465 people took their places at our Masses last weekend. The numbers were probably a bit lower than normal due to the cemetery Masses last Sunday afternoon.

First Communion Date. After consultation with Mrs Taylor (St George's Primary) and Mrs Simpson (Lourdes Primary) we have fixed the date for First Communion and that is Saturday May 12th.

St Andrew's Night Outing. We now have 8 names for our visit to Madha, the Indian restaurant run by Mr Joseph one of our parishioners on Thursday 30th November. It will be a four course meal at £25 a head. We can take up to 30 names in total.

Spare metal filing cabinet. Any parishioner looking for a spare filing cabinet (free) should make the appropriate noises.

Last week's collections. Thanks to all who contributed to the parish upkeep in our first collection which, back to normal, came to £1067 (including Gift Aid contributions). The second collection for the parish renovation came to £520. The brown envelopes for parish renovation : £73. Standing order contributions have to be added to the above amounts.

Father Joe writes:
An American family were writing their family history. They had completed the research and all the material was available. There was a problem as the family had a Great Uncle Sean who was executed on the electric chair.
While they did not wish to leave him out of the family history, they did not like the idea of putting down about his death in the electric chair.
The family's roots were in Ireland so they went to the Centre for Genealogy in Dublin and explained their problem to the people there.
"Do not worry, we will deal with that, we are good with words."
When the written history arrived the passage for Uncle Sean read:
Great Uncle Sean held a seat of electronics at a prestigious institute in the United States. He was so attached to this seat that his death came as a great shock.
Thank you to Kathleen McNeece for adding cheer with this story.
