Fr. Joe writes.

What a pleasant surprise on the feast of Pentecost to see flowers on the sanctuary which resembled the tongues of fire that descended on the disciples on Pentecost Sunday. On fire with the love of God and the Good News of the resurrection of Jesus the disciples were formed as a community of which we are now part.

This week it is the mystery of the Trinity that we reflect upon and the mystery of Life itself. What makes our world go round? Who is this great intelligence that has brought life into existence?

Parents will perhaps sense something of the power beyond them when their child is born, but when the Christ child was conceived we detect the workings of the Most High, the presence of the Son of the Most High, and the Holy Spirit which overshadows Mary the mother of Our Lord.
We only touch the mystery when we say that there are three persons in the one Godhead.

Next Sunday is the Feast of Corpus Christi

Caring words and thoughts from Father Boyle very much appreciated.

A MESSAGE from
GLASGOW SOUTH WEST FOODBANK:
As well as the usual gratitude from the foodbank we learned this week of its financial difficulties as they have no funding and rely on the goodwill of the public. They need to raise £15,000 by August to remain afloat. So please keep those donations coming and if you have any ideas for fundraising call Ann on 07947866436.
Thank you
