New Pilgrim Path

To make His name known (cf. John 17:26)

The 500-year old Ignatian Examen is a daily prayer of review, used across many Christian denominations. The purpose is to discern the ways in which God has been present to you during the day, the times when the Holy Spirit was drawing you towards life. A special 'Ecological Examen' has been developed as a tool for reflection and action to help deepen our call to care for creation and the most vulnerable. This inspiring self-guided resource can be accessed at www.newpilgrimpath.ie.

Instrumentum Laboris
A Document for the Whole Church

In March 2022 our Parish and Diocese contributed to this major Document by having the Lenten Synodal Groups.
Bishop Brian McGee has now requested the people of Glasgow Archdiocese to offer a reflective and honest comment on paragraphs 17-42 of the Working Document.
This document contains all the work which was achieved at the Synod meetings throughout the whole of Scotland, and will be taken to the 16th General Assembly of the Synod of Bishops and Pope Francis in Rome in October.
Our Parish is gathering together in the Hall, to spend some time reflecting on the section we have been given, on Wednesday 26th July at 7pm. This is the next step on the journey towards a Synodal Church, where all God's family listen, reflect and work together to further God's plan. Every member of our parish has something to offer so please come along. Copies of the section will be available in the porch. Those unable to attend are invited to give any individual reflections to stewards prior to the meeting.
