Garden Fete 10th June 12.30.
£4,700 was taken in from our annual fete, including income from the raffle. We are so grateful for the great effort put into the organisation and running of the event. It is intended that £2,400 of this will go to the local schools just as donations have been made in previous years. The rest will go towards the running and maintenance of the hall. A recent electrical inspection (required every 5 years) and remedial work is expected to be costing well over £1000. Regardless of the amount raised it was the joy of the occasion which was so pleasing, and particularly the happiness of the young.
