THE NEW LECTIONARY The Lectionary, which is the book that contains the Scripture readings for Mass and the Sacraments, is changing as part of the continuing process of revising liturgical translations. The process began with the Roman Missal in 2011 and has continued with all the other liturgical texts. The new Lectionary will use the English Standard Version - Catholic Edition of the Bible and the Abbey Psalter. The changes are intended to make the biblical translations more faithful to the original languages, biblical scholarship, and to provide a text for use in liturgical setting that is more proclaimable and, where appropriate, more inclusive.
The Lectionary will become mandatory for use in all Catholic parishes and mass centres in England & Wales and in Scotland from Advent 2024.
