SUNDAY 21st May 2023 - Year A (1)

Communications Sunday. This year Pope Francis has chosen, as the theme for Communications Sunday: ***Speaking with the heart. "The truth in love" (Eph 4:15)*** He writes: "*… in order to communicate truth with charity, it is necessary to purify one's heart. Only by listening and speaking with a pure heart can we see beyond appearances and overcome the vague din which, also in the field of information, does not help us discern in the complicated world in which we live. The call to speak with the heart radically challenges the times in which we are living, which are so inclined towards indifference and indignation, at times even on the basis of disinformation which falsifies and exploits the truth….*"
