Website of the Week: More on Atonement

Just a few weeks ago, our website of the week featured an alternative, Franciscan, theory of atonement. It produced a very positive response from our visitors. This week we share a commentary on seven of the major theories for the Atonement. These theories attempt to explain the nature of Jesus' death on the cross. Why did Jesus die? What does this death mean for the world today? Access a fascinating 18 minute video here: www.newpilgrimpath.ie.
