Peregrinatio Pro Christi (Travelling for Christ) continued :

A great number were happy to accept the St Francis Prayer for peace in Finnish, an Icon of the Madonna with prayers in Finnish on the back and some, the Miraculous Medal with several asking the legionaries to put it on for them. Several of those encountered said ' I was meant to meet you today' and those who expressed an interest, a leaflet with the Mass times of the two local churches was offered. Over 20 people who claimed to be atheist accepted the Prayer for Faith. It was obvious to the legionaries that many prayers were being said for the success of this project and they are indebted to all those who prayed for them during their stay in Finland.
