Feast of Christ the King. Francis has given us the theme "Rejoicing in hope" (cf. Rom 12:12) for the celebration of World Youth Day. Please pray, particularly today, for all our young people that they will encounter Jesus in a personal way through the Sacraments, the celebration of the Word of God, the example of others and the love of our parish communities... More and more of our parishes are reengaging with young people, with new youth and young adult groups emerging every few months in different places, and our Archdiocese is offering opportunities for parishes to rebuild youth ministry, as well as directly reaching out to young people. This is something each of us can do! Let us respond to St. Paul's call. The virtue of hope sustains us and helps us to move forward, with God, when things are hard or when the path ahead is unclear... While some are not ready, many young people are searching to understand what their life is really for and about. Our faith is the beautiful answer... If you would like to find out more about how you can reach out to the young people in your parish… contact youth@rcag.org.uk. We are excited to support you so that every parish may engage with their youth and young adult parishioners!
