Fr Joe writes. The inspector who was inspected!
When I mentioned to a former teacher that the inspectors were now visiting St George's Primary she told me of an inspector who was involved in an inspection many years ago. He had been speaking to a primary three class and asked if they wished to put questions to him. One of the questions he was asked was: "Why did God make you?"
The question surprised him and he tried to answer it by speaking of being a good inspector etc. The little girl said: "No," and then gave him the following answer. "God made you to know Him, to love Him and to serve Him, and to be happy with Him for ever in heaven." (That was one of the first questions in the catechism that the class had learnt.)
Many years later the man decided to become a Catholic, no doubt influenced by being inspected as an inspector!

THE GLASGOW SW FOODBANK

is the busiest in Scotland partly because many refugees are housed in the G51 area temporarily when they arrive. This is why flour, oil, kidney beans and chic peas are a very useful donation. However, any donation of food or hygiene is very much appreciated.
Thank you.
