Meeting 87 Fundraising Group Minutes of Meeting 6th March 2018.

Present: Kristin O'Neill, Margaret Russell, Catherine Shields,Charlie Marr and Frances Monaghan.

The meeting opened with a prayer. The meeting was chaired by Charlie.

The income expenditure statement for the Valentine's dance showed a profit of £330.00 to Hall fund. It was a great night with good music from Different Klass.However there were some problems which the group took on board namely;

1) The timing of the bands – it was agreed that,due to the bar closing at 11pm, all the musicians would be asked to start playing at 8pm – 30 minutes after the doors are opened, and conclude at 11pm.
2) The price of the tickets- we have received some complaints about the charge of £5. The group deliberated before raising the price and have agreed that it will remain so.
3) Raffle Prizes – Although people are very generous at donating prizes for the raffle it can be quite stressful for the group initially at beginning of night wondering if there will be enough prizes. The group have decided that we will all be on the lookout for special offers of booze, toiletries and small gifts which can be reimbursed by the contingency Fund. Charlie will discuss with Paul the best way to facilitate this.

   St Patrick's tickets are going well Catherine will contact band re playing times.
   Mr.Joseph Curry Night-Catherine is liaising with him- group agreed tickets will be £12 and the maximum number would be 80 people.Charlie to ask Alesha if there could be Indian Dancing.
